Jesus loved to tell people stories:

He told stories to let people know what God is like.

He told stories to tell people what would happen.

He told stories to help people know what to do.

People loved to listen to Jesus' stories.

One time Jesus told this story to show that although it may look small on earth, God's kingdom will grow to be very big.

It kept on growing.  
It grew bigger than the flowers.  
It grew bigger than the bushes.

It grew to be a great BIG TREE.

In fact the tree was one of the biggest  
trees around. The whole field looked different  
because the tree had grown so big.

They flew all over the place looking for it.  
When they found it they came and built  
their nests in it.

The tree was very happy now.  
What people thought was nothing was now a  
very special tree.

My Name is:

**I may be little but God has  
BIG plans for me!**

My Name is:

**I may be little but God has  
BIG plans for me!**

My Name is:

**I may be little but God has  
BIG plans for me!**
